

# Wish List

---

Wood County Christian School faculty has compiled a "Wish List" of items that will enhance the learning environment for our students. Many of the items would be placed in specific rooms or departments. Some items would be used school-wide. If you would like to purchase an item or make a donation toward an item, please contact Dan Ellis in the Business Office at 304-375-2000, ext. 163.
